5  
6

7 UNITED STATES DISTRICT COURT  
8 WESTERN DISTRICT OF WASHINGTON  
9 AT SEATTLE

10 TREVOR HOGUE,  
11 v.  
12 AMY GIROUARD,  
13 Defendant.

CASE NO. C19-0437-JCC  
MINUTE ORDER

15 The following Minute Order is made by direction of the Court, the Honorable John C.  
16 Coughenour, United States District Judge:

17 This matter comes before the Court on its pre-service review of Plaintiff Trevor Hogue's  
18 complaint (Dkt. No. 1) pursuant to 28 U.S.C. section 1915(e)(2). On March 26, 2019, United  
19 States Magistrate Judge Hon. Brian A. Tsuchida granted Plaintiff's motion to proceed *in forma*  
20 *pauperis*. (Dkt. No. 3.) Plaintiff names as Defendant Amy Girouard, although it is unclear what  
21 claims Plaintiff asserts against Ms. Girouard. (*See generally* Dkt. No. 4.)

22 Plaintiff states that the Court has subject matter jurisdiction based on both federal  
23 question and diversity jurisdiction. (*Id.* at 3.) Under the heading "Federal Question Jurisdiction,"  
24 Plaintiff states "[a]fter holding lower tier civil courtroom in states jurisdiction defendant legal

1 attempt murder.”<sup>1</sup> (*Id.*) Under the heading “Amount in Controversy,” Plaintiff writes, “[u]nder  
2 Pacer thirty with law currently blind and awaiting unknown.” (*Id.* at 5.) Under the heading  
3 “Statement of Claim,” Plaintiff writes, “[p]reviously address one was to do yardwork, include of  
4 cutting overhanging plants which in blue prints, defendant tries to run over in car.” (*Id.*) Under  
5 the heading “Relief,” Plaintiff writes, “[n]one, lawn/grass may grow back in spring.” (*Id.*) The  
6 complaint contains no other allegations regarding Plaintiff’s claim.

7       Once a complaint is filed *in forma pauperis*, the Court must dismiss it prior to service if it  
8 is frivolous or “fails to state a claim on which relief can be granted.” 28 U.S.C.  
9 § 1915(e)(2)(b)(ii); *see Lopez v. Smith*, 203 F.3d 1122, 1229 (9th Cir. 2000) (en banc). To avoid  
10 dismissal, a complaint must contain sufficient factual matter, accepted as true, to state a claim for  
11 relief that is plausible on its face. *Ashcroft v. Iqbal*, 556 U.S. 662, 664 (2009). The factual  
12 allegations must be “enough to raise a right to relief above the speculative level.” *Bell Atlantic*  
13 *Corp. v. Twombly*, 550 U.S. 544, 555 (2007). The complaint may be dismissed if it lacks a  
14 cognizable legal theory or states insufficient facts to support a cognizable legal theory. *Zixiang v.*  
15 *Kerry*, 710 F.3d 995, 999 (9th Cir. 2013).

16       The Court holds *pro se* plaintiffs to less stringent pleading standards than represented  
17 plaintiffs and liberally construes a *pro se* complaint in the light most favorable to the plaintiff.  
18 *Erickson v. Pardus*, 551 U.S. 89, 93 (2007). Nevertheless, section 1915(e) “not only permits but  
19 requires a district court to dismiss an *in forma pauperis* complaint that fails to state a claim.”  
20 *Lopez*, 203 F.3d at 1229. When dismissing a complaint under section 1915(e), the Court gives  
21 *pro se* plaintiffs leave to amend unless “it is absolutely clear that the deficiencies of the  
22 complaint could not be cured by amendment.” *Cato v. United States*, 70 F.3d 1103, 1106 (9th  
23 Cir. 1995).

24       Plaintiff fails to state a claim upon which relief can be granted. As an initial matter,  
25 Plaintiff has not sufficiently pled that this Court has subject matter jurisdiction over his claims.

---

26       <sup>1</sup> All quotes are taken verbatim from the complaint.

1 Federal question jurisdiction exists where a plaintiff's claim arises "under the Constitution, law,  
2 or treaties of the United States." 28 U.S.C. § 1331. Diversity of citizenship jurisdiction exists  
3 where the amount at issue in the lawsuit is more than \$75,000 and no plaintiffs or defendants are  
4 citizens of the same state. *See* 28 U.S.C. § 1332. The complaint does not state whether Plaintiff's  
5 claims are based on the Constitution, laws or a treaty of the United States. Nor does it allege  
6 facts that demonstrate the amount in controversy is greater than \$75,000 or that he and  
7 Defendant are citizens of different states.

8 The complaint also fails to allege a cognizable legal theory. The complaint does not state  
9 what law entitles Plaintiff to relief or adequately describe the claim. Further, Plaintiff fails to  
10 allege facts demonstrating that Defendant is liable for the misconduct alleged or that would put  
11 Defendant on notice of the claims against her. Plaintiff must state what his legal theory is and  
12 allege facts demonstrating that such theory plausibly entitles him to relief. Plaintiff must also  
13 state a form of relief that the Court can grant. (*See* Dkt. No. 3 at 5) (describing relief sought as  
14 "none").

15 Based on the forgoing, the Court DECLINES to serve Plaintiff's complaint, but  
16 GRANTS him leave to file an amended complaint curing the above-noted deficiencies within 21  
17 days after the date this order is signed. If no amended complaint is timely filed or if Plaintiff files  
18 an amended complaint that fails to correct the deficiencies identified above, the Court may  
19 dismiss Plaintiff's claims with prejudice under 28 U.S.C. section 1915(e)(2)(B)(ii) for failure to  
20 state a claim upon which relief may be granted.

21 Plaintiff is advised that an amended complaint operates as a complete substitute for an  
22 original complaint. *See Ferdik v. Bonzelet*, 963 F.2d 1258, 1262 (9th Cir. 1992). Thus, any  
23 amended complaint must clearly identify the defendant(s), the claims asserted, the specific facts  
24 which Plaintiff believes support each claim, and the specific relief requested.

25 The Clerk is DIRECTED to send Plaintiff a copy of this order as well as the appropriate  
26 forms so that he may file an amended complaint.
